

Premium Racking Bottom Box Assembly

Thank you for purchasing this Australian Designed Wine Rack

See install instruction over and always secure your wine rack to the wall.

Parts included

Front and Back Long Panels
Side Short Panels
Fixing screws

Do NOT use power tools to assemble racking. Hand screwdrivers Only.

1.) Align a Long Panel and Short Panel.

Please note that the Short side panels are pre drilled, the mounts on the Long Panels are not.

2.) Screw together the remaining pieces.

Enjoy your wine in moderation
